

A cordial welcome *awaits*

The new Dandelion and Burdock Kitchen and Lounge opened its doors on Friday 10th June. Situated in the delightful village of Stock, D & B as it is becoming known, serves breakfast through to lunch, 7 days a week.

John and Mel Tickel. Having been in the coffee shop business since 2005, they are both looking forward to this new challenge.

The premises, previously Pietro's Italian Restaurant, has had a full re-fit and has been modernised to offer something a bit different to the many traditional pubs in the immediate and surrounding area. Stock has become increasingly popular as the place to dine in Essex. Having young children themselves, John and Mel hope that Dandelion and Burdock Kitchen will be particularly family friendly: the D & B offers a great children's menu.

Evolving from Dandelion Coffee Shop, a smaller tea room in the village, which specialised in good quality coffee, tea and homemade cakes, D & B still offers all the 'Dandelion' favourites, with so much more.

Dandelion and Burdock has a seating capacity of 36, with a wonderful commercial kitchen, giving the business the opportunity to offer customers an extensive menu choice, expanding on their existing favourites. The new premises also holds a license so meals can be enjoyed over a glass of wine, or your favourite tippie. D & B is run by husband and wife team

Stock is a popular village for hikers and cyclists and they are all warmly welcome to stop by for a break to enjoy a variety of hot and cold drinks, home made cakes, slices and of course, the D & B breakfast, brunch and lunch menu.

John and Mel have exciting plans for the business, including opening in the evenings from September, when the menu will feature tapas food and small plates.
